

Pandit Deendayal Petroleum University (PDPU)
Gandhinagar, India

Advertisement for Admission 2018

Opportunities to conduct research at

Drilling, Cementing, and Stimulation (DCS) Research Center, PDPU

as full-time Ph.D. student in Petroleum Engineering Program

A state-of-the-art “DRILLING, CEMENTING, AND STIMULATION RESEARCH CENTER” has been established and commissioned at PDPU under the aegis of Government of Gujarat.

DCS Center has three major state-of-the-art equipment: Proppant Conductivity System, Formation Damage System, and Drilling and Cementing Equipment. It also has access to the state-of-the-art drilling, completion, and cementing equipment of various government institutions. For details of research center equipment and capabilities, please visit: <http://spt.pdpu.ac.in/dsc.html>.

Ph. D. candidates will have an opportunity to conduct cutting-edge research at DCS Center under the guidance of Prof. Subhash Shah (Emeritus Professor, University of Oklahoma).

Fellowship of Rs. 35,000/- p.m. will be offered to selected GATE qualified candidates and having Masters in Petroleum Engineering.

Apply in the prescribed Application Form available on the Website (www.pdpu.ac.in) with the Fee of Rs. 2,000/-.
